

OUR RESCUING CHILDREN

SUMMER TOUR 2019

WITH ALEX NEWMAN

There is a reason the Deep State globalists sound so confident about the success of their agenda — they have a secret weapon: More than 85 percent of American children are being indoctrinated by radicalized government schools. In this explosive talk, Alex Newman exposes the insanity that has taken over the public school system. From the sexualization of children and the reshaping of values to deliberate dumbing down, Alex shows how dangerous this threat is — not just to our children, but also to the future of faith, family, freedom and what every American can do about it.
